

WHITE CHRISTMAS

C                    Dm    G

I'm dreaming of a white Christmas

F                    G                    C    F/G G

Just like the ones I used to know.

C                    C7/Bb

Where the treetops glisten,

F/A                    Fm7/Ab

And children listen

C    Dm                    G

To hear sleigh bells in the snow.

C                    Dm    G

I'm dreaming of a white Christmas

F                    G                    C    F/G G

With every Christmas card I write.

C                    C7/Bb    F    Fm/Bb

May your days be merry and bright.

C C#dim    Dm    G                    C

And may all your Christmases be white
